## 2. NORPIE 2006

#### CALL FOR PAPERS:

On behalf of the organizing committee of the 5th Nordic Workshop on Power and Industrial Electronics (NORPIE 2006) you are cordially invited to participate in the workshop held 12-14 June 2006 at Lund University, Lund Sweden (<http://www.iea.lth.se/norpie2006>).

#### TOPICS:

- Power electronic converters
- Power electronic devices
- Power electronic systems
- Electrical machines
- Electric drives
- Control of power electronics and electrical machines
- Automotive applications
- Electric and hybrid vehicles
- Robotics
- Industrial applications
- Power electronics in power systems
- Renewable energy systems
- Wind Energy
- Distributed generation
- Modelling and simulation
- Teaching power electronics and related subjects
- Other related topics

#### WORKSHOP OBJECTIVE:

The main objective of NORPIE is to give postgraduate students in the Nordic countries an opportunity to meet and to exchange scientific and student specific experiences. The conference is of course open for any enthusiast in the field of power electronics in countries outside Scandinavia as well. Results from simulations/lab or final projects are welcome, but also descriptions and visions of new projects in early phases of the work. Engineers, researchers, and academics are of course also very welcome, but the programme will be adapted mainly to post graduate students.

#### IMPORTANT DATES:

Abstract: 16 January, 2006

Notification of acceptance: 1 March, 2006

Submission of final paper: 30 April, 2006

Notification of final acceptance: 15 May, 2006

Workshop: 12-14 June, 2006

For more information please visit the workshop homepage <http://www.iea.lth.se/norpie2006> or contact Prof. Mats Alaküla or Per Karlsson.

### 3. EPE Journal included in the Science Citation Index

I am pleased to inform you that the journal has been selected into the database and will be indexed in the following products:

Science Citation Index Expanded

ISI Alerting Services

Current contents / Engineering, Computing, and Technology

The coverage will start with Vol. 15(1) 2005.

I wish to thank all persons who contributed to this success since the foundation of EPE Journal in 1991: Members of the founding Editorial Board, members of the Executive Council, the reviewers, the authors, the members of the EPE International Steering Committee and finally you, the EPE members, the readers of the EPE Journal.

### 4. Future issues of EPE Journal:

To receive a copy of the issues: become a member of the EPE Association: [epe-association@vub.ac.be](mailto:epe-association@vub.ac.be)

### 5. Best wishes for a merry and peaceful Christmas and happy year 2006

The team of EPE Association Secretariat in Brussels wishes you and your family a happy year 2006. We hope to see you again at one of our EPE events!
