

Conference Announcement And Call For Papers

Cairns Convention Centre, Cairns, Queensland, AUSTRALIA

23 – 27 June 2002

The Power Electronics Specialist Conference 2002 (PESC 02), sponsored by the IEEE Power Electronics Society, will be held at the Cairns Convention Centre, Cairns, Queensland, AUSTRALIA, from the 23-27 June 2002.

Topics of Interest

Highlighted topics are a particular focus for this conference

DC Power Supplies
Rectifiers and Inverters
Motion Drives and Motion Control Systems
Power Devices and Packaging
Passive Components
Automotive, Transportation
EMI and Power Quality Issues

Utility Connection Applications
Alternative Energy and Renewable Generation
Telecommunications
Computers in Power Electronics
Education and Training Initiatives
Papers describing Industrial Practice and Experience

Deadlines

Submission of Abstracts & Digests	12th October 2001
Authors notified of acceptance	11th January 2002
Submission of Final Manuscripts	29th March 2002

To be considered for the conference program, authors should submit:

1. 300 word abstract, including Title, Author name(s), Affiliation(s), Contact Author, Mailing address, Telephone and Fax numbers and email address. A one page limit will be strictly enforced for the abstract.
2. 5 page digest, 1½ spaced on standard Letter/A4 paper size, outlining the work to be presented, the objectives of the paper and the goals achieved. Key equations, figures, tables and references should be included, all within the page limit. Digests exceeding the 5 page limit will be evaluated using only the first 5 pages - all additional pages will be discarded.

Paper submissions will be accepted electronically through the web site. Instructions to submit abstracts and digests will be posted on the web site on 1 August 2001.

PESC '02 General Chair

Dean Patterson

Research Professor, Electrical Engineering,
University of South Carolina
Mail, EE dept, USC, Columbia SC 29208
Phone: (803) 777 7362 Fax: (803) 777-8045
Email: patterson@ieee.org

PESC '02 Program Chair

D. Grahame Holmes

Power Electronics Group
PO Box 35, Monash University,
Melbourne, Victoria, AUSTRALIA, 3800
Phone: + 613 9905 3473 Fax: + 613 9905 9606
